# of Respondents: The first number is the number of evaluators used to calculate Absolute Average. The second number is the number of evaluators used to calculate the Relative Average (must be 3 or more).

Blank Scores: Less than 3 evaluators provided a rating or a Relative Average could not be calculated because less than 3 evaluators did not rate at least 4 evaluators. Note: Relative Average is only calculated on the dimension level.

## 2007 Cross Evaluation - Comments

GMI

Evaluation Results for: Briti, Jacqueline

Title: Director

Supervisor: Breheney, Michael

Division: GLB EQUITIES

Director: CASH

Center: S-TRD US NY

### Strengths:

- Jackie has improved her presense at ML in '07. She has a very impressive list of clients that rely on her market expertise on a daily basis. She's also slowly developed a much better working relationship internally with many of her colleagues.
- the most underappreciated, mismanaged assets on the desk. has great client relationships. Is one of our best sales traders.
- GREAT client relationships excellant at backing-up accounts.
